Summer School

Summer is right around the corner and the School District of Bonduel is excited to offer incredible summer school classes for students. Summer school runs from June 10th - July 12th from 8:00 - 12:00 daily. There are offerings for students currently in grades Pre-4K thru 8th grade. There are also a number of sports camps available for students.

In addition to students being able to participate in engaging enrichment classes, the summer school program also provides free breakfast and lunch to all students in the district throughout the duration of the summer school program.

If you are you looking for a great way to spend your summer, please visit the School District of Bonduel website to learn more about the summer course offerings and how to register.

Don't forget to register!

- Last day for 4K
May 29th
- Last Day of School KG-4th
Early Release 12:45pm
May 30th
- Summer School Starts
June 10th

Best Wishes on Your Retirement!

We would like to thank our retiring staff members for all their years of service and dedication to our students. Our students and staff will miss you but are excited for your new chapter in life. Congratulations!

Ms. Christianson

I am looking forward to spending more time with my grandkids, traveling, getting my gardens in shape, sleeping in, and not wearing a hairnet!

I have so many good memories but getting flowers from my grandson Ryder, who is in 4K, for Valentine's Day, Mrs. Borowski and Mrs. Laude singing "Lunch Lady Land" for us during Lunch Hero Day, Mrs. Daebler and I dressing up as Ketchup and Mustard, and seeing the school garden grow.

I have truly enjoyed my many years working for the Bonduel School District. I have met so many wonderful people who have become my special friends. Most importantly, I hope I made the student's days a little bit better by the food they ate and the smiles they received! My life's journey now continues in a different direction!

Ms. Naparalla

I am looking forward to doing more bow hunting in the fall, playing pickleball every day, and being a "snowbird" in the winter!!

My favorite memories are of all of the fun times I have had with staff members, and of the students who enjoyed competing and participating in my classes.

Best Wishes on Your Retirement!

Mrs. Schwewe

My bucket list of places to travel is endless. I think my unofficial job is going to be travel agent. My husband and I started volunteering with a German shepherd rescue, Mit Liebe in Suamico. We help with fundraisers and have been fostering dogs until they find their forever family.

I will never forget are all the costumes I wore as a 4th grade teacher. When you're teamed with Mrs. Roberts and Mrs. Suehring, you up your game!

Thanks to all of you for making me feel at home. After retiring the first time, I prayed that God would place me in a role where I could be of service and love what I do. He nailed it! I was so blessed to land at BES!

Mrs. Daebler

I'm looking forward to NO 4:30am alarm and for snow days, leaving home early and then find out we have no school.

My favorite memories are when the kids would come to the counter after eating and telling us how good their lunch was.

Mrs. Smurawa

I'm looking forward to not having 'speech stuff' scattered throughout my house, reading, traveling, and spending time with family and friends.

My favorite memory at BES was a road trip to Milwaukee with Mrs. Schwitzer to watch the Bonduel girls basketball team play at FISERV, walking around the deer district, and staying for the Bucks game. Great day!

I am grateful to have spent my post retirement from Shawano School District at Bonduel Elementary School. Staff and students have been the best! I could not have had a better group to work with.

Mrs. Grayvold

I'm looking forward to spending more time with our children, having my hands in garden dirt and exploring our new hometown.

One of my favorite memories was hearing one of my students 'talk' for the first time.

Remember your "WHY" each and everyday!! BES is a special place to work, love and learn. And the staff are the reason! ♥

Mrs. Kray

I'm looking forward to going out to lunch with former co-workers on the first day of school, traveling with spouse and friends, riding my bike and planning bike trips, reading lots of books, and exploring volunteer opportunities at the Navarino Nature center and The Fox Cities Performing Arts Center.

My favorite memories were the Christmas programs and end of year concerts, when former students would come to visit, Secret Santa parties, Tom Pease performances, and pranking Mrs. Rudersdorf, with the help with Mrs. Engel.

The Bonduel School District, the families, the communities, my BES friends, have all be so good to me. I will always call this place home. This is a bittersweet time. I know I am making the right decision to retire but there are many parts of my career I will miss dearly. Missing the staff is number one. Warmest Regards to All!!

Mr. Grayvold

I am looking forward to whatever the next chapter in our life brings, along with some vacationing and free time.

My favorite memories will be of the smiles on the faces of the children each morning as they arrived for school and of all the wonderful staff members that I have been blessed to work with.

I am so grateful to our parents, community, staff, and students for the opportunity to serve as the Bonduel Elementary School Principal. Being the first in the area to start all-day every day 3K, 4K, and before and after school childcare fulfilled one of my goals to bring families into the school to experience the highest quality of education in a safe and nurturing environment. Bonduel Elementary School has received a School Report Card grade of "Significantly Exceeding Expectations" for several years, which shows the commitment our staff has made to our students and families.
